Basis of accounting

The UBS Switzerland AG standalone financial statements are prepared in accordance with the interim reporting requirements of Swiss GAAP (the FINMA Accounting Ordinance, FINMA Circular 2020/1 "Accounting – banks" and the Banking Ordinance).

The accounting policies are principally the same as for the consolidated financial statements of UBS Group AG outlined in Note 1 to the consolidated financial statements of UBS Group AG included in the UBS Group AG Annual Report 2022. Major differences between Swiss GAAP requirements and International Financial Reporting Standards are described in Note 33 to the consolidated financial statements of UBS Group AG. Further information about the accounting policies applied for the standalone financial statements of UBS Switzerland AG is provided in Note 2 to the UBS Switzerland AG standalone financial statements as of 31 December 2022.

In preparing the interim financial information for UBS Switzerland AG, the same accounting policies and methods of computation have been applied as in the annual standalone financial statements as of 31 December 2022, except that the previous equity line item General reserves was replaced by its sole component, Statutory capital reserves, in line with the amendment of the Swiss Code of Obligations effective from 1 January 2023.

The interim financial information is unaudited and should be read in conjunction with the audited 2022 standalone financial statements of UBS Switzerland AG, available under "Holding company and significant regulated subsidiaries and sub-groups" at *ubs.com/investors*.

Joint and several liability

In June 2015, the Personal & Corporate Banking and Wealth Management businesses booked in Switzerland were transferred from UBS AG to UBS Switzerland AG through an asset transfer in accordance with the Swiss Merger Act. Under the Swiss Merger Act, UBS AG assumed joint liability for obligations existing on the asset transfer date, i.e., 14 June 2015, which were transferred to UBS Switzerland AG.

Similarly, under the terms of the asset transfer agreement, UBS Switzerland AG assumed joint liability for approximately CHF 325bn of contractual obligations of UBS AG existing on the asset transfer date, excluding the collateralized portion of secured contractual obligations and covered bonds. UBS Switzerland AG has no liability for new obligations incurred by UBS AG after the asset transfer date. The joint liability amount declines as obligations mature, terminate or are novated following the asset transfer date.

As of 30 June 2023, the joint liability of UBS Switzerland AG for contractual obligations of UBS AG amounted to approximately CHF 3bn, compared with CHF 4bn as of 31 December 2022. As of 30 June 2023, the probability of an outflow under this joint and several liability was assessed to be remote, and as a result, the balance sheet and off-balance sheet information does not include any exposure arising under this joint and several liability.

| Cautionary Statement I This report and the information contained herein are provided solely for information purposes, and are not to be construed as solicitation of an offer to buy or sell any securities or other financial instruments in Switzerland, the United States or any other jurisdiction. No investment decision relating to securities of or relating to UBS Group AG, UBS AG or their affiliates should be made on the basis of this report. Refer to UBS's Annual Report 2022 on Form 20-F, quarterly reports and other information furnished to or filed with the US Securities and Exchange Commission on Form 6-K, available at ubs.com/investors, for additional information. |
|--|
| Rounding I Numbers presented throughout this report may not add up precisely to the totals provided in the tables and text. Percentages and percent changes disclosed in text and tables are calculated on the basis of unrounded figures. Absolute changes between reporting periods disclosed in the text, which can be derived from numbers presented in related tables, are calculated on a rounded basis. |
| Tables I Within tables, blank fields generally indicate non-applicability or that presentation of any content would not be meaningful, or that information is not available as of the relevant date or for the relevant period. Zero values generally indicate that the respective figure is zero on an actual or rounded basis. Values that are zero on a rounded basis can be either negative or positive on an actual basis. |
