#### **Basis of accounting**

The UBS Switzerland AG standalone financial statements are prepared in accordance with the interim reporting requirements of Swiss GAAP (the FINMA Accounting Ordinance, FINMA Circular 2020/1 "Accounting – banks" and the Banking Ordinance).

The accounting policies are principally the same as for the consolidated financial statements of UBS Group AG outlined in Note 1 to the consolidated financial statements of UBS Group AG included in the UBS Group AG Annual Report 2021. Major differences between Swiss GAAP requirements and International Financial Reporting Standards are described in Note 35 to the consolidated financial statements of UBS Group AG. Further information about the accounting policies applied for the standalone financial statements of UBS Switzerland AG is provided in Note 2 to the UBS Switzerland AG standalone financial statements as of 31 December 2021.

In preparing the interim financial statements for UBS Switzerland AG, the same accounting policies and methods of computation have been applied as in the annual standalone financial statements as of 31 December 2021.

The interim financial statements are unaudited and should be read in conjunction with the audited 2021 standalone financial statements of UBS Switzerland AG, available under "Holding company and significant regulated subsidiaries and sub-groups" at *ubs.com/investors*.

#### Joint and several liability

In June 2015, the Personal & Corporate Banking and Wealth Management businesses booked in Switzerland were transferred from UBS AG to UBS Switzerland AG through an asset transfer in accordance with the Swiss Merger Act. Under the Swiss Merger Act, UBS AG assumed joint liability for obligations existing on the asset transfer date, i.e., 14 June 2015, which were transferred to UBS Switzerland AG.

Similarly, under the terms of the asset transfer agreement, UBS Switzerland AG assumed joint liability for approximately CHF 325bn of contractual obligations of UBS AG existing on the asset transfer date, excluding the collateralized portion of secured contractual obligations and covered bonds. UBS Switzerland AG has no liability for new obligations incurred by UBS AG after the asset transfer date. The joint liability amount declines as obligations mature, terminate or are novated following the asset transfer date.

As of 30 June 2022, the joint liability of UBS Switzerland AG for contractual obligations of UBS AG amounted to approximately CHF 4bn, compared with CHF 5bn as of 31 December 2021. Under certain circumstances, the Swiss Banking Act and the Bank Insolvency Ordinance of FINMA authorize FINMA to modify, extinguish or convert to common equity liabilities of a bank in connection with a resolution or insolvency of such bank. As of 30 June 2022, the probability of an outflow under this joint and several liability was assessed to be remote, and as a result, the table above does not include any exposure arising under this joint and several liability.

Cautionary Statement   This report and the information contained herein are provided solely for information purposes, and are not to be construed as solicitation
of an offer to buy or sell any securities or other financial instruments in Switzerland, the United States or any other jurisdiction. No investment decision relating of securities of or relating to UBS Group AG, UBS AG or their affiliates should be made on the basis of this report. Refer to UBS's Annual Report 2021 on Form 10-F, quarterly reports and other information furnished to or filed with the US Securities and Exchange Commission on Form 6-K, available at ubs.com/investors, or additional information.
Rounding I Numbers presented throughout this report may not add up precisely to the totals provided in the tables and text. Percentages and percent changes lisclosed in text and tables are calculated on the basis of unrounded figures. Absolute changes between reporting periods disclosed in the text, which can be lerived from numbers presented in related tables, are calculated on a rounded basis.
Tables I Within tables, blank fields generally indicate non-applicability or that presentation of any content would not be meaningful, or that information is not awailable as of the relevant date or for the relevant period. Zero values generally indicate that the respective figure is zero on an actual or rounded basis. Values that are zero on a rounded basis can be either negative or positive on an actual basis.
