ESSENTIAL FOOTNOTE:				
Supplier Vetting Obligations	<p>As a Level 1 Supplier you are required to follow the country specifications published on our webpage. This however has to be in line with the approved approach agreed with you by the UBS Vetting Decision Authority at the time you were awarded the label of being a UBS level 1 supplier.</p> <p>Any deviations to the country specs or agreed approach may result in a finding at the time of the level 1 audit e.g., the use of an unapproved vetting vendor.</p> <p>A reminder that any decisions made by you should not expose UBS to any reputational or operational risk.</p> <p>In case a Level 1 supplier does not have the capability to legally perform a particular check (as defined in the country specifications), the supplier should obtain approval from the UBS vetting Decision Authority (DA) to perform an alternative. In such cases (post approval from the DA) the Level 1 supplier may obtain a self-declaration form from the candidate. The Self declaration needs to be completed and dated prior to the start date at UBS and must be available for review at the time of the level 1 audit. A self-declaration only fulfills the condition of a check not being completed if this has been approved prior to onboarding by the UBS vetting Decision Authority (DA).</p>			
	<p>In case a candidate does not have the required documents / registration for a check to be performed, the supplier must obtain a self-declaration from the candidate. However, such a self-declaration shall only be obtained where a check is legally permissible in the "hiring" location but cannot be conducted due to candidate not fulfilling the required conditions for a check. The self-declaration must be completed and dated prior to the start date at UBS and must be available for review at the time of the level 1 supplier audit.</p> <p>The country specifications define the acceptable documentation and/or data sources for use within a candidate's country of hire.</p> <p>A vetting check is deemed permissible as per the country specifications, and if the candidate has background history or footprint within additional countries outside the "hiring" country acceptable documentation and/or data sources applicable as per that country must be considered.</p> <p>Please note that at all times you should be guided by the country specifications of the onboarding country.</p>
