- (b) from (and including) the Affected US Government Securities Business Day, references to the Specified Time in the terms and conditions of the Loan shall be deemed to be references to the Alternative Specified Time.

Optional Cancellation of Interest

The Borrower may, at its discretion, elect to cancel all or part of any payment of interest that is otherwise scheduled to be paid on an Interest Payment Date. This provision is without prejudice to the provisions described under "*Mandatory Cancellation of Interest*" below. Non-payment of any amount of interest by the Borrower to the Lender will constitute evidence of cancellation of the relevant payment, whether or not notice of cancellation has been given by the Borrower.

If practicable, the Borrower shall provide notice of any cancellation of interest (in whole or in part) pursuant to this provision to the Lender on or prior to the relevant Interest Payment Date. If practicable, the Borrower shall endeavor to provide such notice at least five Business Days prior to the relevant Interest Payment Date. Failure to provide such notice will not have any impact on the effectiveness of, or otherwise invalidate, any such cancellation of interest, or give the Lender any rights as a result of such failure.

If the Borrower determines, after consultation with the FINMA, that the Loan does not, or will cease to, fully qualify as Additional Tier 1 Capital, (A) the Borrower shall not, to the extent permitted under National Regulations, exercise its discretion pursuant to the provisions described above to cancel any interest payments due on the Loan on any Interest Payment Date following the occurrence of such determination, and (B) the Borrower shall give notice to the Lender as soon as practicable after such determination stating that the

Borrower may no longer exercise its discretion pursuant to the provisions described above to cancel any interest payments as from the date of such notice.

**Mandatory
Cancellation of
Interest**

The Borrower will be prohibited from making, in whole or in part, any payment of interest on the Loan on the relevant Interest Payment Date if and to the extent that:

- (A) the amount of Distributable Items as at such Interest Payment Date is less than the sum of
- (1) the amount of such interest payment, plus
 - (2) all other payments (other than redemption payments) made by the Borrower on the Loan and on or in respect of any Parity Obligations or Junior Obligations since the balance sheet date of the Relevant Accounts and prior to such Interest Payment Date, plus
 - (3) all payments (other than redemption payments) payable by the Borrower on such Interest Payment Date on or in respect of any Parity Obligations or Junior Obligations,
- in the case of each clauses (1), (2) and (3), excluding any portion of such payments already accounted for in determining the amount of such Distributable Items; and/or
- (B) the Borrower is not, or will immediately after the relevant payment of interest not be, in compliance with all applicable minimum capital adequacy requirements of the National Regulations on a consolidated (*Finanzgruppe*) or unconsolidated (*Einzelinstitut*) basis (for the avoidance of doubt, it being understood that such minimum requirements will reflect any reduction in such requirements granted by the FINMA to the Borrower Group (as defined below) or the Borrower, respectively, pursuant to the Capital Adequacy Ordinance); and/or
- (C) the FINMA has required the Borrower not to make such interest payment.

The Borrower shall give notice to the Lender as soon as practicable following any determination that interest is required to be cancelled pursuant to this provision or, where no such prior determination is made, promptly following any Interest Payment Date on which interest was scheduled to be paid if such interest is being cancelled in accordance with this provision. Failure to provide such notice will not have any impact on the effectiveness of, or otherwise invalidate, any such cancellation or give the Lender any rights as a result of such failure.

Distributable Items means, in respect of an Interest Payment Date, the aggregate of (i) net profits carried forward and (ii) freely distributable reserves, in each case, less any amounts that must be contributed to legal reserves under applicable law, all in the Borrower's reporting currency and as appearing in the Relevant Accounts.

Relevant Accounts means, in respect of any Interest Payment Date, the most recent audited unconsolidated annual financial statements of the Borrower prepared in accordance with the Swiss Code.

Non-Cumulative Interest And No Event of Default Any interest cancelled (in whole or in part) in accordance with the provisions under "*Optional Cancellation of Interest*" or "*Mandatory Cancellation of Interest*" above will not accumulate or be payable at any time thereafter. Non-payment of interest so cancelled will not constitute a default or an Event of Default by the Borrower for any purpose, and the Lender shall have no right thereto whether in a liquidation, dissolution or insolvency of the Borrower or otherwise.

Taxation All payments in respect of the Loan shall be made without withholding or deduction for any taxes or duties of whatever nature imposed or levied by or on behalf of a Tax Jurisdiction or any political subdivision or any authority thereof or therein having the power to tax, unless the withholding or deduction is required by law. In that event, the Borrower will pay such additional amounts (**Additional Amounts**) as may be necessary in order that the net amounts received by the Lender shall equal the amounts which would have been receivable in the absence of any withholding or deduction.

Tax Jurisdiction means Switzerland.

Optional Repayment The Borrower may, in its sole discretion, repay the Loan, in whole but not in part, upon giving prior notice to the Lender, which notice will be irrevocable and specify the date fixed for repayment (the **Repayment Date**):

- (i) at any time on or after 1 March 2027, at the Loan's principal amount together with any accrued and unpaid interest thereon to (but excluding) the Repayment Date; or
- (ii) upon the occurrence of a Tax Event at any time after the Utilization Date, at the Loan's principal amount, together with any accrued and unpaid interest thereon to (but excluding) such Repayment Date; or
- (iii) upon the occurrence of a Regulatory Event at any time after the Utilization Date, at the Loan's principal amount, together with any accrued and unpaid interest thereon to (but excluding) such Repayment Date,

provided that, (A) in the case of any repayment described in clauses (i) or (ii) above, the FINMA has approved such repayment (if such approval is then required) and (B) no Trigger Event or Viability Event has occurred prior to the relevant Repayment Date.

A **Tax Event** is deemed to have occurred if the Borrower in making any payments on the Loan (A) has paid, or will or would on the next payment date be required to pay, Additional Amounts, or (B) has paid, or will or would be required to pay, any additional tax in respect of the Loan, in the case of each of subclauses (A) and (B), under the laws or regulations of a Tax Jurisdiction or any political subdivision thereof or any authority of or in a Tax Jurisdiction or any political subdivision thereof having the power to impose, levy, collect, withhold or assess taxes, including, without limitation, any treaty to which a Tax Jurisdiction is a party, or any generally published application or interpretation of such laws (including, without limitation, a decision of any court or tribunal, any generally published application or interpretation of such laws by any relevant tax authority or any generally published pronouncement by any relevant tax authority), and the Borrower cannot avoid the foregoing by taking measures reasonably available to it.

A **Regulatory Event** will have occurred if the Loan ceases to be eligible in full to be (A) treated as Additional Tier 1 Capital of the Borrower on a standalone basis or (to the extent applicable) of the Borrower Group (as defined below) on a consolidated basis, and/or (B) counted towards either the Going-Concern LR Requirement or the Going-Concern RWA Requirement (or both) of the

Borrower on a standalone basis or (to the extent applicable) of the Borrower Group (as defined below) on a consolidated basis.

Contingent Write-down

If the Borrower has given a Write-down Notice in accordance with the provisions described under "*Trigger Event*" or "*Viability Event*" below, then on the relevant Write-down Date:

- (i) the full principal amount of, and any accrued and unpaid interest (whether or not due and payable) on, the Loan will automatically be written down to zero, the Loan will be cancelled and all references to the principal amount of the Loan in the terms and conditions of the Loan will be construed accordingly;
- (ii) the Lender will be automatically deemed to have irrevocably waived its right to receive, and will no longer have any rights against the Borrower with respect to, repayment of the principal amount of, and payment of any accrued and unpaid interest on, the Loan written down pursuant to clause (i) above (*bedingter Forderungsverzicht*); and
- (iii) all rights of the Lender for payment of any amounts under or in respect of the Loan (including, without limitation, any amounts arising as a result of, or due and payable upon the occurrence of, an Event of Default) will become null and void, irrespective of whether such amounts have become due and payable prior to the relevant Write-down Notice Date or the Write-down Date.

Contingent Write-down means the events described in clauses (i) through (iii) above.

Write-down Date means, with respect to any Contingent Write-down, the Trigger Event Write-down Date or Viability Event Write-down Date, as applicable.

Write-down Notice Date means, with respect to any Contingent Write-down, the date of the relevant Write-down Notice.

Trigger Event

A **Trigger Event** is deemed to have occurred if the Borrower gives the Lender a Trigger Event Write-down Notice in accordance with the provisions described below.

If, with respect to any Notification Date, the Trigger CET1 Ratio as of such Notification Date is less than the Write-down Threshold, the Borrower shall (subject to the provisions described below), give a Trigger Event Write-down Notice to the Lender (x) if such Notification Date is an Ordinary Notification Date, within five Business Days of such Ordinary Notification Date (such fifth Business Day, the **Trigger Breach Determination Date**, and the date of such notice, the **Ordinary Trigger Event Notice Date**), and (y) if such Notification Date is an Extraordinary Notification Date, on such Extraordinary Notification Date (the **Extraordinary Trigger Event Notice Date**).

If the Borrower is required to give a Trigger Event Write-down Notice as described above, and on the relevant Notification Date any High-Trigger Contingent Capital is outstanding with respect to which either (x) no High-Trigger Write-down|Conversion Notice has been given prior to the Trigger Event Notice Date or (y) a High-Trigger Write-down|Conversion Notice has been given prior to the Trigger Event Notice Date, but the Trigger Event Write-down Date is scheduled to occur prior to the relevant High-Trigger Write-down|Conversion Date,

- (i) in the case of clause (x) above, the Borrower will postpone giving such Trigger Event Write-down Notice until the date on which a High-Trigger Write-down|Conversion Notice has been given with respect to all such outstanding High-Trigger Contingent Capital and such date will be deemed to be the Trigger Event Notice Date; and
- (ii) in the case of clauses (x) and (y) above, if the Trigger Event Write-down Date is scheduled to occur prior to the High-Trigger Write-down|Conversion Date (or, in the case of more than one High-Trigger Write-down|Conversion Date, the latest High-Trigger Write-down|Conversion Date), the Trigger Event Write-down Date will be postponed to the High-Trigger Write-down|Conversion Date (or the latest High-Trigger Write-down|Conversion Date, as applicable) and such postponement shall be specified in such Trigger Event Write-down Notice.

If (A) the Borrower is required to give a Trigger Event Write-down Notice pursuant to clause (i) above in relation to an Ordinary Notification Date, and (B) prior to the earlier of the Ordinary Trigger Event Notice Date and the Trigger Breach Determination Date, the FINMA, upon the request of the Borrower, has agreed in writing that a Contingent Write-down is not required as a result of actions taken by the UBS Group or circumstances or events (including any capital injections from UBS Group AG or any other member of the UBS Group), in each case, that have had, or imminently will have, the effect of restoring the CET1 Ratio as of the Balance Sheet Date relating to the relevant Ordinary Notification Date, after giving pro forma effect to such actions, circumstances or events, to a level above the Write-down Threshold that the FINMA and the Borrower deem, in their sole discretion, to be adequate at such time, the Borrower (x) shall not give such Trigger Event Write-down Notice pursuant to clause (i) above in relation to the relevant Ordinary Notification Date, and (y) shall give notice to the Lender on or prior to the Trigger Breach Determination Date, which notice shall state that no Contingent Write-down will occur in relation to the relevant Ordinary Notification Date.

For the avoidance of doubt, the term "risk-weighted assets" as used in this definition has the meaning assigned to such term in the BIS Regulations in effect as of the relevant Balance Sheet Date.

Borrower Group means, at any time, the Borrower and all its subsidiaries and other entities that are included in the Borrower's consolidated capital adequacy reports, if any, prepared pursuant to National Regulations.

CET1 Capital means, as of any Balance Sheet Date, the aggregate amount, in the Presentation Currency, of items that constitute common equity tier 1 capital of the Borrower Group or the Borrower, as applicable, as of such Balance Sheet Date, less any deductions from common equity tier 1 capital required to be made, in each case as determined by the Borrower pursuant to the BIS Regulations applicable to the Borrower as of such Balance Sheet Date, and as disclosed in the Quarterly Financial Accounts or the Reviewed Interim Measurement. For the avoidance of doubt, the term "common equity tier 1 capital" as used in this definition has the meaning assigned to such term in the BIS Regulations in effect as of the relevant Balance Sheet Date.

CET1 Ratio means, as of any Balance Sheet Date, the CET1 Capital as of such Balance Sheet Date, divided by the BIS Risk Weighted Assets as of such Balance Sheet Date, expressed as a percentage, such ratio (or the components thereof) as determined by the Borrower and as disclosed in the Quarterly Financial Accounts or the Reviewed Interim Measurement.

For purposes of clause (ii) of this definition and, in the case of an Extraordinary Notification Date, clause (i) of this definition, the aggregate principal amount of any High-Trigger Contingent Capital that is not denominated in the Presentation Currency will be converted into the Presentation Currency at the applicable prevailing exchange rate on the last Business Day preceding the relevant Notification Date, as determined by the Borrower. In the case of an Ordinary Notification Date, for purposes of clause (i) of this definition, the aggregate principal amount of any High-Trigger Contingent Capital that is not denominated in the Presentation Currency will be converted into the Presentation Currency at the applicable exchange rate used for such purposes in the relevant Quarterly Financial Accounts.

High-Trigger Contingent Capital means any instrument issued by, or any other obligation of, the Borrower or, in case the Borrower establishes consolidated financial statements for the Borrower Group pursuant to National Regulations, the Borrower and any other member of the Borrower Group that (i) is issued or owed to holders that are not members of the Borrower Group and (ii) is required pursuant to its terms to be converted into equity and/or fully or partially written down, or otherwise operating to increase the CET1 Capital, when the CET1 Ratio (or equivalent capital measure of the Borrower, described in the terms and conditions thereof) falls below a threshold that is higher than the Write-down Threshold (with respect to the relevant High-Trigger Contingent Capital, its **High-Trigger Threshold**).

High-Trigger Write-down|Conversion Notice means a notice delivered pursuant to the terms of any High-Trigger Contingent Capital, which notifies the holders thereof that the CET1 Ratio (or similar measure or other event described in the terms and conditions of such High-Trigger Contingent Capital) has fallen below its High-Trigger Threshold and, consequently, that such High-Trigger Contingent Capital will be converted into equity and/or fully or partially written down, or otherwise operate to increase the CET1-Capital, as applicable, as of a particular date (such date, the **High-Trigger Write-down|Conversion Date**). For the avoidance of doubt, if the terms and conditions of such High-Trigger Contingent Capital permit the FINMA to waive the conversion into equity and/or write-down of such High-Trigger Contingent Capital notwithstanding the fact that the CET1-Ratio (or similar measure or other event described in the terms and conditions of such High-Trigger Contingent Capital) has fallen below High-Trigger Threshold, the non-issuance of such a waiver by the FINMA between the relevant Notification Date and the Trigger Event Notice Date shall be deemed equivalent to the delivery of a High-Trigger Write-down|Conversion Notice for purposes of the provisions described under "*Trigger Event*".

Notification Date means an Ordinary Notification Date or an Extraordinary Notification Date, as the case may be.

Ordinary Notification Date means each Business Day on which Quarterly Financial Accounts are notified to the Lender, which date shall fall no later than ten Business Days after the day on which the Auditor has made its report relating to the relevant Quarterly Financial Accounts available to the Borrower.

UBS Group Holding Company means, at any time, the top Swiss holding company at such time of the financial group to which the Borrower belongs for purposes of preparing consolidated capital adequacy reports pursuant to UBS Group National Regulations. As of the Utilization Date the UBS Group Holding Company is UBS Group AG.

UBS Group National Regulations means, at any time, (i) the Swiss national banking and capital adequacy laws, and (ii) the capital adequacy regulations promulgated by the Swiss Federal Council (*Bundesrat*) or the FINMA and the interpretation thereof by the FINMA or any other competent Swiss authority, in the case of each of clauses (i) and (ii), directly applicable to the UBS Group Holding Company and/or the UBS Group.

Write-down Threshold means 7 per cent.

Viability Event

A **Viability Event** will be deemed to have occurred if prior to an Alternative Loss Absorption Date (if any):

- (i) the FINMA has notified the Borrower in writing that it has determined a write-down of the Loan, together with the conversion or write down, as applicable, of holders' claims in respect of all other capital instruments issued by, or other capital obligations (whether qualifying fully or partially for capital treatment) of, any member of the Borrower Group that, pursuant to their terms or by operation of law, are capable of being converted into equity or written down at that time, is, because customary measures to improve the Borrower's capital adequacy (including any capital injections from UBS Group AG or any other member of the UBS Group) are at the time inadequate or infeasible, an essential requirement to prevent the Borrower from becoming insolvent, bankrupt, unable to pay a material part of its debts as they fall due or unable to carry on its business; or
- (ii) customary measures to improve the Borrower's capital adequacy being at the time inadequate or infeasible, the Borrower has received an irrevocable commitment of direct or indirect extraordinary support from the Public Sector (beyond customary transactions and arrangements in the ordinary course) that has, or imminently will have, the effect of improving the Borrower's capital adequacy and without which, in the determination of (and as notified in writing by) the FINMA, the Borrower would have become insolvent, bankrupt, unable to pay a material part of its debts as they fall due or unable to carry on its business.

For the avoidance of doubt, it is understood that a Viability Event may occur irrespective of whether or not a Trigger Event has occurred or whether any of the conditions to the issuance of a Trigger Event Write-down Notice have been met.

Subject to the provisions described under "*Alternative Loss Absorption*" below, upon the occurrence of a Viability Event, (A) the Borrower shall give notice to the Lender within three days of the date on which such Viability Event occurred, which notice shall (x) state that a Viability Event has occurred and a Contingent Write-down will take place and (y) specify the date on which the Contingent Write-down will take place, which date shall be no later than 10 Business Days after the date of such notice (such specified date, the **Viability Event Write-down Date**, and such notice, a **Viability Event Write-down Notice**), and (B) a Contingent Write-down will occur on the Viability Event Write-down Date in accordance with the provisions governing a Contingent Write-down.

Public Sector means the government of, or a governmental agency or the central bank in, the country of incorporation of the Borrower.

Alternative Loss Absorption

In the event of the implementation of any new, or amendment to or change in the interpretation of any existing, laws or components of National Regulations, in each case occurring after the Utilization Date, that alone or together with any other law(s) or regulation(s) has, in the joint determination of the Borrower and the FINMA, the effect that the provisions described under "*Viability Event*" above could cease to apply to the Loan without giving rise to a Regulatory Event, then the Borrower shall give notice to the Lender no later than five Business Days after such joint determination stating that such provisions will cease to apply from the date of such notice (the **Alternative Loss Absorption Date**), and from the date of such notice, such provisions will cease to apply to the Loan.

Amendment

- (a) If a Tax Event or a Regulatory Event has occurred, the Borrower may, without the consent of the Lender, amend the terms and conditions of the Loan so that it remains or becomes, a Compliant Instrument, *provided* that
- (i) neither a Tax Event, nor a Regulatory Event arises as a result of such amendment;
 - (ii) the FINMA has approved such amendment (if such approval is then required);
 - (iii) the Borrower has given the Lender prior notice of such amendment, which notice (the "**Amendment Notice**") will, subject to clause (iv) below, be irrevocable, and state the date on which such amendment will be effective (the "**Amendment Effective Date**"); and
 - (iv) no Trigger Event or Viability Event has occurred prior to the relevant Amendment Effective Date.

Compliant Instrument means a loan granted to, or a security issued by, the Borrower or any of its subsidiaries that have economic terms not materially less favorable to the Lender than the terms and conditions of the Loan (as reasonably determined by the Borrower), provided that

- (i) such loan or security (A) includes terms that provide for the same interest rate and principal from time to time applying to the Loan, (B) ranks *pari passu* with the Loan and (C) preserves any existing rights under the terms and conditions of the Loan to any accrued

and unpaid interest that has not been satisfied; and

- (ii) where such loan is extended to, or such security is issued by, a subsidiary of Borrower, the Borrower has irrevocably and unconditionally guaranteed to the Lender, on a subordinated basis corresponding *mutatis mutandis* to the provisions described under "*Status*", the due and punctual payment of all amounts due and payable by such subsidiary under, or in respect of, such loan or security pursuant to article 111 of the Swiss Code.
- (b) If the SOFR Benchmark Replacement is at any time required to be used pursuant to clause (c) of the definition of the term "SOFR Reference Rate" and the Borrower has determined the SOFR Benchmark Replacement with respect to the then-current SOFR Benchmark as described under "*Benchmark Replacement*" above, then, if the Borrower determines that (x) changes to the definitions of Business Day, Compounded Daily SOFR, Interest Determination Date, Interest Payment Date, Interest Period, Observation Period, SOFR Reference Rate or US Government Securities Business Day or (y) any other technical changes to any other provision of the terms and conditions of the Loan (including any day count fraction or business day convention) are necessary in order to implement the SOFR Benchmark Replacement (including any alternative method described in subclause (a)(ii)(z) of the provisions described under "*Benchmark Replacement*" above) as the SOFR Benchmark in a manner substantially consistent with market practice (or, if the Borrower decides that adoption of any portion of such market practice is not administratively feasible or if the Borrower determines that no market practice for use of the SOFR Benchmark Replacement exists, in such other manner as the Borrower determines is reasonably necessary), the Borrower may, without the consent of the Lender, amend such definitions or other provisions of the terms and conditions of the Loan to reflect such changes, and shall promptly give notice to the Lender specifying such amendments to the terms and conditions of the Loan. Any amendment made by the Borrower pursuant to this clause (b) will be binding on the Lender in accordance with its terms.
- (c) Any amendment made pursuant to clause (a) or clause (b) above will be binding on the Lender in accordance with its terms.

Assignment

The Lender may, at any time and without having to obtain consent from the Borrower, transfer (*Vertragsübertragung*) its rights and obligations under this Loan in whole, but not in part, to any other member of the UBS Group. After giving effect to any such transfer, all references herein to the Lender shall be deemed to be references to such transferee.

Set-off

Subject to applicable law, the Lender, by acceptance of any direct or beneficial interest in the Loan, agrees that it will not, and waives its right to, exercise, claim or plead any right of set-off, compensation or retention with respect to any amount owed to it by the Borrower in respect of, or arising in connection with, the Loan.

Events of Default

- (a) If any of the following events occurs, such occurrence will constitute an "**Event of Default**":
- (i) the Borrower fails to pay the principal amount of the Loan if and when the same becomes due and payable under the terms and conditions

of the Loan, and such failure continues unremedied for a period of 30 days; or

- (ii) the Borrower fails to pay any interest on the Loan if and when the same becomes due and payable under the terms and conditions of the Loan, and such failure continues unremedied for a period of 30 days; or
 - (iii) the Borrower fails to observe or perform any other covenant, condition, or agreement contained in the terms and conditions of the Loan and such failure either (A) is incapable of remedy or (B) continues unremedied for a period of 60 days after written notice thereof from the Lender to the Borrower; or
 - (iv) a Bankruptcy Event.
- (b) Upon the occurrence of an Event of Default relating to any failure of the Borrower to meet any payment obligation under the terms and conditions of the Loan and subject to the provisions described under "*Contingent Write-down*", (i) such payment obligation (and such payment obligation only) will be immediately deemed a due and payable (*fällige*) payment obligation of the Borrower, and (ii) if (A) the Lender has formally requested payment of such payment obligation, (B) such payment obligation has not been fulfilled within the statutory period under Swiss law commencing after the date of such formal request and (C) a writ of payment (*Zahlungsbefehl*) has been issued with respect to such payment obligation pursuant to the DEBA, the Lender may institute proceedings against the Borrower in Switzerland (but not elsewhere) to enforce its rights with respect to such payment obligation under the DEBA.
- (c) If a debt collection or insolvency proceeding with respect to the Borrower is instituted in Switzerland in accordance with clause (b) of this provision, the Borrower shall not (i) after having received the writ of payment (*Zahlungsbefehl*) relating to the relevant payment obligation, argue or plead that such payment obligation is not due and payable by the Issuer, or (ii) prior to the declaration of bankruptcy (or similar proceeding under Swiss insolvency laws), make any payment to the Lender under or in connection with the Loan.
- (d) In the case of any Event of Default arising under clause (a)(iii) of this provision and subject to the provisions described under "*Contingent Write-down*" above, the Lender may seek specific performance or damages with respect to such Event of Default pursuant to the Swiss Code if so entitled thereunder. Any such damage claim of the Lender will rank junior to the rights and claims of all holders of Senior Obligations.
- (e) In the case of any Event of Default arising under clause (a)(iv) of this provision and subject to the provisions described under "*Contingent Write-down*" above, the Lender may, by written notice to the Borrower, declare the principal amount of the Loan, together with any accrued and unpaid interest thereon, immediately due and payable, without presentment, demand, protest or other notice of any kind.
- (f) No remedy against the Borrower other than those described in this provision will be available to the Lender in connection with the Borrower's obligations under the terms and conditions of the Loan, whether for the recovery of amounts owing under the terms and conditions of the Loan or in respect of any breach by the Borrower of any of its other obligations under the terms and conditions of the Loan or otherwise. In particular, the Lender may not declare (i) the principal amount of the Loan due and payable prior to any Repayment Date, or (ii) any interest on the Loan due and payable prior to the relevant Interest Payment Date, except, in the

case of each of subclauses (i) and (ii) of this clause (f), pursuant to clause (e) of this provision.
