TERMS AND CONDITIONS OF THE NOTES ISSUED BY CREDIT SUISSE GROUP AG

The following are the Terms and Conditions of the Notes issued by Credit Suisse Group AG. In the case of Notes that are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive, the applicable Final Terms in relation to those Notes may specify other terms and conditions that will, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. Reference should be made to “Applicable Final Terms” for a description of the content of Final Terms, which will specify which of such terms are to apply in relation to the relevant Notes.

References herein to the **Notes** shall mean the notes of the Tranche or Series (each as defined below) specified in the applicable Final Terms (as defined below) issued by Credit Suisse Group AG (the **Issuer**). Any reference to Notes includes Uncertificated Notes (as defined below).

As used herein, **Tranche** means Notes that are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes that (a) are expressed to be consolidated and form a single series and (b) have the same terms and conditions or terms and conditions that are the same in all respects save for the issue date, the amount and date of the first payment of interest thereon and the date from which interest starts to accrue.

The Notes have the benefit of a Paying Agency Agreement dated 24 May 2017 (such agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**), among the Issuer and Credit Suisse AG as principal paying agent and calculation agent (the **Agent**, which expression shall include any successor agent and, together with any other paying agents appointed under the Agency Agreement, the **Paying Agents**, which expression shall include any additional or successor paying agents).

These Terms and Conditions (these **Conditions**) are completed by the final terms prepared in connection with the relevant Tranche of Notes (the applicable **Final Terms**). A copy of the applicable Final Terms is available from the Issuer at its registered office. In the case of Notes that are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive (as defined below), the applicable Final Terms may specify other terms and conditions that will, to the extent so specified or to the extent inconsistent with these Conditions, replace or modify these Conditions. The expression **Prospectus Directive** means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in a relevant Member State of the European Economic Area.

If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu). If the Notes are neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive, the applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer or, as the case may be, the relevant Paying Agent as to its holding of such Notes and identity.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the person holding such Note in a securities account (*Effektenkonto*) that is in its name or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Note for its own account in a securities account (*Effektenkonto*) that is in its name.

Words and expressions used in the applicable Final Terms shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated.

euro means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the functioning of the European Union, as amended; and

Renminbi and **RMB** means the lawful currency of People’s Republic of China (the **PRC**).

1. AMOUNT, DENOMINATION AND FORM

1.1 General

The initial aggregate principal amount of the Notes is specified in the applicable Final Terms. All payments in relation to the Notes will be made in the same currency as the aggregate principal amount (the **Specified Currency**). The Notes are issued to Noteholders in the denominations (the **Specified Denomination(s)**) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

1.2 **Uncertificated Notes**

The Notes will be issued in uncertificated form (**Uncertificated Notes**). Each Tranche of Notes will be entered into the main register (*Hauptregister*) of SIX SIS AG (**SIS**) or any other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange (SIS or any such other intermediary, the **Intermediary**) on or prior to the Issue Date. Once the Uncertificated Notes are registered in the main register of the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Uncertificated Notes will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (**Intermediated Securities**).

So long as the Uncertificated Notes constitute Intermediated Securities, they will be transferable only in accordance with the rules and procedures for the time being of the Intermediary and may only be transferred by the entry of the transferred Uncertificated Notes in a securities account of the transferee.

The records of the Intermediary will determine the principal amount of Notes represented by Uncertificated Notes and the principal amount of Notes held by or through each participant in the Intermediary.

No individually certificated Notes (*Wertpapiere*) will be printed or delivered. None of the Issuer, the Noteholders and the Agent will at any time have the right to effect or demand the conversion of the Uncertificated Notes into, or the delivery of, a permanent global certificate (*Globalurkunde*) or individually certificated securities (*Wertpapiere*).

2. **This has been intentionally deleted.**

3. **STATUS OF THE NOTES**

The Notes constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* with all other present or future unsecured and unsubordinated obligations of the Issuer and without any preference among themselves, except for such preferences as are provided by any mandatory applicable provision of law.

6. **INTEREST**

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Fixed Reset Notes, Floating Rate Notes or Zero Coupon Notes.

6.1 **Interest on Fixed Rate Notes**

This Condition 6.1 applies to Fixed Rate Notes only.

The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 6.1 for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum (expressed as a percentage) equal to the Rate(s) of Interest. Interest will be payable in arrear on each Interest Payment Date up to (and including) the Maturity Date (if any) subject as provided in Condition 7.7.

As used in these Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Interest shall be calculated in respect of any period by applying the Rate of Interest to the aggregate outstanding principal amount of the Fixed Rate Notes, multiplying such product by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Conditions:

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 6.1 or Condition 6.2 below, as the case may be:

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360; and
- (c) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365.

Determination Period means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

6.2 Interest on Fixed Reset Notes

This Condition 6.2 applies to Fixed Reset Notes only.

The applicable Final Terms contains provisions applicable to the determination of the resetting of the Rate of Interest and must be read in conjunction with this Condition 6.2 for full information on the manner in which interest is calculated on Fixed Reset Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Initial Interest Rate, the Reset Date, any Subsequent Reset Date(s), the Reset Margin, the Specified Currency, the Relevant Screen Page, the Floating Leg Reference Rate, the Floating Leg Screen Page and the Initial Mid-Swap Rate.

Each Fixed Reset Note bears interest:

- (i) from (and including) the Interest Commencement Date to (but excluding) the Reset Date at the rate per annum equal to the Initial Interest Rate; and

- (ii) from (and including) the Reset Date to (but excluding) either (a) the Maturity Date or (b) if applicable, the first Subsequent Reset Date and each successive period from (and including) any Subsequent Reset Date to (but excluding) the next succeeding Subsequent Reset Date (if any) or the Maturity Date, if applicable, (each period in (a) and (b) being a **Reset Period**), in each case at the rate per annum equal to the relevant Reset Rate,

(in each case rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) (each a **Rate of Interest**). Interest will be payable in arrear on each Interest Payment Date up to (and including) the Maturity Date (if any) subject as provided in Condition 7.7.

(a) ***Determination of Rate of Interest***

The Agent will at or as soon as practicable after each time at which a Reset Rate is to be determined, determine the Reset Rate and Rate of Interest for the relevant Reset Period.

(b) ***Notification of Rate of Interest***

The Agent will cause the Rate of Interest for each Reset Period to be notified to the Issuer and any stock exchange on which the relevant Fixed Reset Notes are for the time being listed (by no later than the first day of each Reset Period) and notice thereof to be published in accordance with Condition 17 as soon as possible after its determination but in no event later than the fourth Fixed Reset Business Day thereafter. For the purposes of this paragraph, the expression **Fixed Reset Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Zurich and in the place of any stock exchange on which the relevant Fixed Reset Notes are for the time being listed.

(c) ***Minimum Rate of Interest***

In the event that the Rate of Interest in respect of a Reset Period determined in accordance with the provisions of this Condition 6.2 is less than zero, the Rate of Interest for such Reset Period shall be zero.

Interest shall be calculated in respect of any period by applying the Rate of Interest to the aggregate outstanding principal amount of the Fixed Reset Notes, multiplying such product by the applicable Day Count Fraction (as defined in Condition 6.1 above) and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

In these Conditions,

Mid-Swap Rate means, in relation to the Reset Date or relevant Subsequent Reset Date, as the case may be, and the Reset Period commencing on the Reset Date or that Subsequent Reset Date, the rate for the Reset Date or that Subsequent Reset Date of, in the case of semi-annual or annual Interest Payment Dates, the semi-annual or annual swap rate, respectively (with such semi-annual swap rate to be converted to a quarterly rate in accordance with market convention, in the case of quarterly Interest Payment Dates) for swap transactions in the Specified Currency maturing on the last day of such Reset Period, expressed as a percentage, which appears on the Relevant Screen Page as of approximately 11.00 a.m. in the principal financial centre of the Specified Currency on such Reset Determination Date. If such rate does not appear on the Relevant Screen Page at such time on such Reset Determination Date, the Mid-Swap Rate for the Reset Date or relevant Subsequent Reset Date, as the case may be, will be the Reset Reference Bank Rate for the Reset Period;

Reference Banks means five leading swap dealers in the interbank market for swap transactions in the Specified Currency with an equivalent maturity to the Reset Period as selected by the Issuer;

Relevant Screen Page means the display page on the relevant service as specified in the applicable Final Terms or such other page as may replace it on that information service, or on such other equivalent information service as determined by the Agent, for the purpose of displaying equivalent or comparable rates for the relevant swap rates for swap transactions in the Specified Currency with an equivalent maturity to the Reset Period;

Representative Amount means an amount that is representative for a single transaction in the relevant market at the relevant time;

Reset Determination Date means the second Business Day immediately preceding the Reset Date or relevant Subsequent Reset Date, as the case may be;

Reset Period Mid-Swap Rate Quotations means the bid and offered rates for the semi-annual or annual, as applicable, fixed leg (calculated on the day count basis customary for fixed rate payments in the Specified Currency), of a fixed-for-floating interest rate swap transaction in the Specified Currency with a term equal to the Reset Period commencing on the Reset Date or relevant Subsequent Reset Date, as the case may be, and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg (in each case calculated on the day count basis customary for floating rate payments in the Specified Currency), is equivalent to the Rate of Interest that would apply in respect of the Notes if the Notes were Floating Rate Notes and (a) Screen Rate Determination was specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, (b) the Reference Rate was the Floating Leg Reference Rate and (c) the Relevant Screen Page was the Floating Leg Screen Page;

Reset Rate means the sum of the Reset Margin and the Mid-Swap Rate for the relevant Reset Period; and

Reset Reference Bank Rate means, in relation to the Reset Date or relevant Subsequent Reset Date, as the case may be, and the Reset Period commencing on the Reset Date or that Subsequent Reset Date, the percentage determined on the basis of the arithmetic mean of the Reset Period Mid-Swap Rate Quotations provided by the Reference Banks at approximately 11.00 in the principal financial centre of the Specified Currency on the Reset Determination Date. The Agent will request the principal office of each of the Reference Banks to provide a quotation of its rate. If at least three quotations are provided, the rate for the Reset Date or relevant Subsequent Reset Date, as the case may be, will be the arithmetic mean of the quotations, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest). If only two quotations are provided, it will be the arithmetic mean of the quotations provided. If only one quotation is provided, it will be the quotation provided. If no quotations are provided, the Mid-Swap Rate will be the Mid-Swap Rate for the immediately preceding Reset Period or, if none, the Initial Mid-Swap Rate.

6.3 **Interest on Floating Rate Notes**

This Condition 6.3 applies to Floating Rate Notes only.

The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 6.3 for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due if it is not the Agent, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page.

(a) **Interest Payment Dates**

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Conditions, **Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 6.3(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, **Business Day** means a day which is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre (other than TARGET2 System) specified in the applicable Final Terms;
- (b) if TARGET2 System is specified as an Additional Business Centre in the applicable Final Terms, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the **TARGET2 System**) is open; and
- (c) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars, New Zealand dollars or Renminbi shall be Sydney, Auckland and Hong Kong, respectively) or (ii) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(b) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(i) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (i), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;

- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this subparagraph (i), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

(ii) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the rate or offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates or offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either (i) the London interbank offered rate (**LIBOR**), (ii) the Euro-zone interbank offered rate (**EURIBOR**), (iii) the Singapore interbank offered rate (**SIBOR**), (iv) the Australian Bank Bill Swap Rate (**BBSW**), (v) the Canadian dollar offered rate for bankers acceptances (**CDOR**), (vi) the CNH Hong Kong inter-bank offered rate (**CNH HIBOR**), (vii) the New Zealand Bank Bill reference rate (**BKBM**), (viii) the Hong Kong interbank offered rate (**HIBOR**), (ix) the Stockholm interbank offered rate (**STIBOR**) or (x) the Norwegian interbank offered rate (**NIBOR**)), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time (as defined below) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such bid rates or offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such bid rates or offered quotations.

If the Relevant Screen Page is not available or if, in the case of (A) above, no rate or offered quotation appears or, in the case of (B) above, fewer than three rates or offered quotations appear, in each case as at the Specified Time, the Agent shall request each of the Reference Banks to provide the Agent with its bid rate or offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question (which, if the Reference Rate is CDOR, shall be the bid rate for Canadian dollar bankers acceptances for a period equal to the relevant Interest Period for settlement on the relevant Interest Determination Date and in an amount that is representative for a single transaction in the relevant market at the relevant time (a **representative amount**) accepted by the Reference Banks at the Specified Time on the relevant Interest Determination Date). If two or more of the Reference Banks provide the Agent with rates or offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the rates or offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with an offered quotation or bid rate as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of:

- (i) in the case of a Reference Rate other than CDOR, the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks

- (ii) if the Reference Rate is CDOR, the bid rates quoted by any one or more major banks in Toronto (which bank or banks is or are in the opinion of the Issuer suitable for the purposes) and provided to the Agent for Canadian Dollar bankers acceptances for a period equal to the relevant Interest Period for settlement on the relevant Interest Determination Date and in representative amount accepted by the bank or banks at the Specified Time on the relevant Interest Determination Date plus or minus (as appropriate) the Margin (if any),

provided that, in each case, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

(c) ***Minimum Rate of Interest and/or Maximum Rate of Interest***

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (c) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (c) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(d) ***Determination of Rate of Interest and calculation of Interest Amounts***

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to the aggregate outstanding principal amount of the Notes, multiplying such product by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 6.3:

- (i) if “Actual/365” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (I) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (II) the last day of the Interest Period is

the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(e) ***Linear Interpolation***

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

Designated Maturity means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(f) ***Notification of Rate of Interest and Interest Amounts***

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 17 as soon as possible after their determination but in no event later than the fourth Floating Rate Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 17. For the purposes of this paragraph, the expression **Floating Rate Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Zurich and in the place of any stock exchange on which the relevant Floating Rate Notes are for the time being listed.

6.4 **Certificates to be final**

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6 by the Agent shall (in the absence of wilful misconduct, bad faith or manifest error) be binding on the Issuer, the Agent, the other Paying Agents and all Noteholders and (in the absence of misconduct, bad faith and gross negligence) no liability to the Issuer or the Noteholders shall attach to the Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

6.5 **Accrual of interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 17.

6.6 **Deferral, write-down, cancellation and/or conversion of interest**

Notwithstanding Conditions 6.1 to 6.3, payment of interest under this Condition 6 is subject to deferral during a Suspension Period (as defined in Condition 13.2) and to any write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of, the principal amount of, and/or accrued interest on, the Notes, pursuant to the exercise of any Swiss Resolution Power (as defined in Condition 13.1) or ordering of any Restructuring Protective Measures (as defined in Condition 13.1).

- (c) in the case of Notes denominated in Swiss francs, the receipt by the Agent of the due and punctual payment of funds in Swiss francs will release the Issuer from its obligations under the Notes to the extent of such payment;
- (d) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and

For these purposes, **Payment Day** means any day which (subject to Condition 10) is:

Upon the occurrence of a RMB Currency Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 stating the occurrence of the RMB Currency Event, giving details thereof and the action proposed to be taken in relation thereto.

For the purpose of this Condition and unless stated otherwise in the applicable Final Terms:

RMB Currency Events means any one of RMB Illiquidity, RMB Non-Transferability and RMB Inconvertibility;

RMB Inconvertibility means the occurrence of any event that makes it impossible for the Issuer to convert any amount due in respect of the Notes into RMB on any payment date at the general RMB exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted

8. **REDEMPTION AND PURCHASE**

8.1 **Redemption at maturity**

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount calculated as follows:

- (a) in the case of a Note (other than a Zero Coupon Note where a Redemption/Payment Basis other than 100 per cent. of the principal amount has been specified in the applicable Final Terms), at 100 per cent. of the Calculation Amount per Calculation Amount as specified in the applicable Final Terms; or

- (a) if (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 9 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 9) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it; or

- (b) if the Issuer is prevented by applicable tax laws from making payment of the full amount then due and payable.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two authorised persons of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment or become prevented by applicable law from making such payments, as the case may be.

8.3 **Redemption at the option of the Issuer (Issuer Call)**

This Condition 8.3 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons or pursuant to a Make-Whole Redemption or an Ineligibility Issuer Call), such option being referred to as an **Issuer Call**. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 8.3 for full information on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Notes which can be redeemed and (if other than as specified below) the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than 10 and not more than 60 days' (or such other minimum and/or maximum period as may be specified in the applicable Final Terms) notice to the Noteholders in accordance with Condition 17 (which notices shall be irrevocable, shall specify the date fixed for redemption and, if any pre-conditions to such redemption are specified in the applicable Final Terms, that such pre-conditions have been met), redeem all or some only of the Notes then outstanding, subject to having obtained the prior approval of the Regulator if then required under Swiss banking laws applicable to the Issuer from time to time, on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a principal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

Any such redemption must be of a principal amount

not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms.

For the purpose of this Condition 8.4 **Make-Whole Redemption Amount** means in respect of each Note (a) the outstanding principal amount of that Note or (b) if higher, the aggregate present value, as determined by the Calculation Agent, of the remaining scheduled payments of principal and interest on that Note (not including any portion of such payments of interest accrued to the relevant Optional Redemption Date) discounted to the relevant Optional Redemption Date at the Reinvestment Rate (as determined by the Calculation Agent on the Reinvestment Rate Determination Date specified in the applicable Final Terms) on the basis of the same frequency and by reference to the same day count fraction as is applicable to such payments on the Reference Bond,

where:

Calculation Agent means the Issuer or a person designated by the Issuer to perform the relevant calculation on the Issuer's behalf;

Reference Bond(s) means the security or securities specified in the applicable Final Terms or, if no such securities are so specified, the security or securities, as selected by the Calculation Agent, that would be utilised, as at the Reinvestment Rate Determination Date specified in the applicable Final Terms and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes;

Reference Market Maker Quotations means, with respect to each Reference Market Maker and any Optional Redemption Date, the average, as determined by the Calculation Agent, of the bid and asked prices for the relevant Reference Bond (expressed in each case as a percentage of its principal amount) quoted in writing to the Calculation Agent at the Quotation Time specified in the applicable Final Terms;

Reference Market Maker means five brokers or market makers of securities such as the relevant Reference Bond selected by the Calculation Agent or such other five persons operating in the market for securities such as the Reference Bond as are selected by the Calculation Agent; and

8.5 **Redemption at the option of the Issuer upon an Ineligibility Event (Ineligibility Issuer Call)**

This Condition 8.5 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons or pursuant to an Issuer Call or a Make-Whole Issuer Call) upon the occurrence of an Ineligibility Event, such option being referred to as an **Ineligibility Issuer Call**.

Subject to Condition 8.8, if Ineligibility Issuer Call is specified as being applicable in the applicable Final Terms and an Ineligibility Event has occurred and is continuing, the Issuer may redeem all or some only of the Notes then outstanding at any time (if the Notes are not Floating Rate Notes) or on any Interest Payment Date (if the Notes are Floating Rate Notes), on giving not less than 10 and not more than 60 days' (or such other minimum and/or maximum period as may be specified in the applicable Final Terms) notice to the Agent and, in accordance with Condition 17, the Noteholders (which notice shall be irrevocable), subject to having obtained the prior approval of the Regulator if then required under Swiss banking laws applicable to the Issuer from time to time.

In these Conditions:

An **Ineligibility Event** is deemed to have occurred if a change in the Capital Adequacy Ordinance and/or FSB TLAC Standard occurs after the Issue Date having the effect that the entire principal amount of the Notes ceases to be eligible to be treated as both (i) debt instruments for loss absorbency in the course of insolvency measures (*Schuldinstrumente zur Verlusttragung bei Insolvenzmassnahmen*) under the Capital Adequacy Ordinance and (ii) External TLAC under the FSB TLAC Standard.

TLAC means total loss-absorbing capacity.

Prior to the publication of any notice of redemption pursuant to this Condition 8.5, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders a certificate signed by two authorised persons of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

Notes redeemed pursuant to this Condition 8.5 will be redeemed at their Early Redemption Amount referred to in Condition 8.7 together (if appropriate) with interest accrued to (but excluding) the date on which such Notes are scheduled to be redeemed pursuant to this Condition 8.5.

8.6 **Partial redemption at the option of the Issuer**

In the case of a partial redemption of Notes pursuant to Conditions 8.3, 8.4 and 8.5 above, the Notes to be redeemed (the **Redeemed Notes**) will be selected in accordance with the rules of the Intermediary (to be reflected in the records of the Intermediary as a reduction in principal amount).

8.7 **Early Redemption Amounts**

For the purpose of Conditions 8.2 and 8.5 above and Condition 11.1:

- (a) each Note (other than a Zero Coupon Note) will be redeemed at its Early Redemption Amount:
- (b) each Zero Coupon Note will be redeemed at an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

^y is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360, or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for

redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

8.8 Limitations on redemption

Notwithstanding Conditions 8.1 to 8.7, any redemption of the Notes under this Condition 8 is subject to any write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of, the principal amount of, and/or accrued interest on, the Notes and, in the case of Condition 8.1, to deferral during a Suspension Period, in each such case pursuant to the exercise of any Swiss Resolution Power or ordering of any Restructuring Protective Measures.

In addition and notwithstanding Conditions 8.2, 8.3 and 8.5, if the Issuer has given notice to the Noteholders to redeem all or some only of the Notes then outstanding pursuant to Conditions 8.2, 8.3 or 8.5, but, prior to payment of the redemption amount with respect to such redemption, CSG Restructuring Proceedings (as defined in Condition 13.1) are opened, then such redemption notice shall be automatically rescinded and shall be of no force and effect, such redemption shall be cancelled, payment of the redemption amount in respect of such redemption shall no longer be due and payable and no such redemption of the Notes shall take place.

8.9 Purchases

The Issuer or any of its Subsidiaries may at any time purchase Notes at any price in the open market or otherwise. Any purchase shall be made in accordance with applicable laws or regulations, including (without limitation) applicable stock exchange regulations and subject to having obtained the prior approval of the Regulator if then required under Swiss banking laws applicable to the Issuer from time to time.

Notes so purchased may be held, resold or surrendered to any Paying Agent for cancellation.

8.10 Cancellation

All Notes that are redeemed will forthwith be cancelled. All Notes so cancelled and any Notes purchased and cancelled pursuant to Condition 8.9 above shall be forwarded to the Agent and cannot be reissued or resold.

8.11 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 8.1, 8.2, 8.3, 8.4 or 8.5 above or upon its becoming due and repayable as provided in Condition 11 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 8.7(b) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 17.

9. TAXATION

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by any governmental or other taxing authority unless such withholding or deduction is required by law. In the event that any such withholding or deduction is imposed in respect of the Notes by or on behalf of any Tax Jurisdiction, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes in the absence of such withholding or deduction; except that no such additional amounts shall be payable by the Issuer to any such holder on account of:

- (a) any such taxes, duties, assessments or other governmental charges imposed in respect of such Note by reason of the holder thereof having some connection with a Tax Jurisdiction other than the mere holding of such Note; or
- (b) any such taxes, duties, assessments or other governmental charges imposed in respect of such Note required to be made pursuant to laws enacted by Switzerland providing for the taxation of payments

according to principles similar to those laid down in the draft legislation of the Swiss Federal Council of 17th December 2014, or otherwise changing the Swiss withholding tax system from an issuer-based system to a paying agent-based system pursuant to which a person in Switzerland other than the issuer is required to withhold tax on any interest payments; or

- (c) a combination of items (a) and (b) above.

Notwithstanding any other provision of these Conditions, in no event will the Issuer be required to pay any additional amounts in respect of the Notes for, or on account of, any withholding or deduction required pursuant to FATCA.

As used herein:

- (i) **Tax Jurisdiction** means Switzerland including any authority thereof or therein having power to tax; and
- (ii) the **Relevant Date** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 17.

10. PRESCRIPTION

In accordance with Swiss law, claims for payment of principal and interest under the Notes will become time-barred unless made within a period of 10 years (in the case of principal) and five years (in the case of interest) after the date on which such payment first became due and payable.

11. EVENTS OF DEFAULT AND ENFORCEMENT

11.1 Events of Default relating to Notes

If any of the following events (each an **Event of Default**) occurs and is continuing:

- (a) ***Non-payment of interest***
- the Issuer fails to pay in the Specified Currency any interest on any of the Notes when due and such failure continues for a period of 30 days; or
- (b) ***Non-payment of principal***
- the Issuer fails to pay in the Specified Currency the principal of any of the Notes when due and such failure continues for a period of 10 days; or
- (c) ***Breach of other obligations***
- the Issuer does not perform or comply with any one or more of its other obligations under the Notes, which default is not remedied within 60 days after notice of such default shall have been given to the Agent at its specified office by any Noteholder; or
- (d) ***Insolvency***
- (i) the Issuer is (or is deemed by a court of competent jurisdiction to be) insolvent or bankrupt or unable to pay its debts as they fall due, makes a general assignment or an arrangement or composition with or for the benefit of its creditors generally or a moratorium is agreed or declared in respect of the debts of the Issuer; or
- (ii) the Issuer commences a voluntary case or proceeding under any applicable bankruptcy, insolvency, reorganisation or similar law to be adjudicated insolvent or bankrupt, or consents to the entry of a decree or order for relief in any involuntary case or proceeding under any such law; or
- (e) ***Winding-up***
- an order is made or an effective resolution passed for the winding-up or dissolution of the Issuer except for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or

consolidation where all of the assets of the Issuer, are transferred to, and all of its debts and liabilities are assumed by, a continuing entity;

then the holders of at least 25 per cent. in aggregate principal amount of the outstanding Notes may, by notice in writing given to the Agent at its specified office, declare all the Notes to be immediately due and payable, whereupon they shall become immediately due and payable at their principal amount together with accrued interest without further formality unless such Event of Default shall have been remedied prior to the receipt of such notice by the Agent, provided that none of (i) the opening of CSG Restructuring Proceedings, (ii) the exercise of any Swiss Resolution Power with respect to the Issuer that requires or results in any write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of, the principal amount of, and/or accrued interest on, the Notes, (iii) the ordering of any Restructuring Protective Measures that require or result in the deferment of payment of principal and/or interest under the Notes and (iv) any consequences resulting from any of the foregoing, will constitute an Event of Default. However, any consequences resulting from any Non-Restructuring Protective Measures (as defined in Condition 13.1) that would otherwise constitute an Event of Default will constitute an Event of Default with respect to such Notes.

Upon the Notes becoming immediately due and payable under this Condition 11.1, the Issuer will give notice of this fact to the Noteholders in accordance with Condition 17.

13. SWISS RESOLUTION POWER, RESTRUCTURING PROTECTIVE MEASURES AND SUSPENSION PERIOD

13.1 Swiss Resolution Power and Restructuring Protective Measures

By its acquisition of the Notes, each Noteholder (including each beneficial owner) acknowledges, agrees to be bound by and consents to the exercise of any Swiss Resolution Power with respect to the Issuer (without prior notice being given by the Swiss Resolution Authority of its decision to exercise such Swiss Resolution Power) that results in the write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of the, principal amount of, and/or accrued interest on, the Notes, irrespective of whether such amounts have already become due and payable prior to the exercise of such action. In addition, by its acquisition of the Notes, each Noteholder (including each beneficial owner) acknowledges, agrees to be bound by, and consents to the ordering of any Restructuring Protective Measures (without prior notice being given by the Swiss Resolution Authority of its decision to order such Restructuring Protective Measures) that result in the deferment of payment of principal and/or interest on the Notes. By its acquisition of the Notes, each Noteholder (including each beneficial owner) further acknowledges, agrees and consents that its rights are subject to, and if necessary, will be altered without such Noteholder's or beneficial owner's consent, including by means of an amendment or modification to these Conditions so as to give effect to any such exercise of any Swiss Resolution Power or any such ordering of Restructuring Protective Measures. Such acknowledgement, agreement and consent does not qualify as a waiver of the rights, procedural or otherwise, existing for creditors generally, and a holder of Notes specifically, under the applicable banking regulation pursuant to which any Swiss Resolution Power is exercised.

By its acquisition of the Notes, each Noteholder (including each beneficial owner) further automatically and irrevocably waives its right to claim or receive and will not have any rights against the Issuer with respect to repayment of any principal and/or accrued and unpaid interest on the Notes that is written-down and cancelled or converted into equity of the Issuer as a result of the exercise of any Swiss Resolution Power. Following the occurrence of any write-down and cancellation or conversion into equity of the Issuer of all or any portion of the principal and/or interest on the Notes, the aggregate principal amount of the Notes and/or any interest thereon subject to such write-down or conversion will be cancelled and no further principal or interest shall be due and payable and no Event of Default shall thereafter exist with respect to the amount by which such principal amount of the Notes and/or any interest on the Notes is so written-down or converted and cancelled.

No payment of principal or interest under the Notes shall become due and payable after the exercise of any Swiss Resolution Power with respect to the Issuer that results in the write-down and cancellation and/or conversion into equity of the Issuer of the entire, or a portion of the, principal amount of, and/or accrued interest on, the Notes or the ordering of any Restructuring Protective Measures that require or result in the deferment of payment of principal and/or interest under the Notes, unless at the time of such payment it would be permitted to be made by the Issuer under the laws and regulations of Switzerland then applicable to the Issuer.

In addition, by its acquisition of the Notes, each Noteholder (including each beneficial owner) agrees, subject to applicable law, that it shall not be entitled to exercise, claim or plead any right of set-off, compensation or retention or netting arrangement in respect of any amount payable to it by the Issuer in respect of, or arising under or in connection with, the Notes, and to have waived all such rights of set-off, compensation or retention, or in respect of such netting arrangement, whether arising before or during any CSG Restructuring Proceedings or winding up of the Issuer.

In these Conditions:

- (i) **CSG Restructuring Proceedings** means Restructuring Proceedings with respect to the Issuer;
- (ii) **Non-Restructuring Protective Measures** means any Protective Measures ordered by the Swiss Resolution Authority with respect to the Issuer that are ordered outside of and independently of any CSG Restructuring Proceedings;
- (iii) **Protective Measure** means any protective measure that the Swiss Resolution Authority may order pursuant to any statutory power set forth in article 26 of the Swiss Banking Act, or in any successor or analogous Swiss law or regulation applicable to bank holding companies in Switzerland such as the Issuer, including, without limitation (a) giving instructions to the governing bodies of the respective entity, (b) appointing an investigator, (c) stripping governing bodies of their power to legally represent the respective entity or removing them from office, (d) removing the regulatory or company-law audit firm from office, (e) limiting the respective entity's business activities, (f) forbidding the respective entity from making or accepting payments or undertaking security trades, (g) closing down the respective entity, or (h) except for mortgage-secured receivables of central mortgage bond institutions, ordering a moratorium or deferral of payments;
- (iv) **Restructuring Proceedings** means restructuring proceedings within the meaning of article 28 et seq. of the Swiss Banking Act and article 40 et seq. of the Swiss Banking Insolvency Ordinance, or any successor or analogous Swiss law or regulation applicable to banks or bank holding companies in Switzerland such as the Issuer;
- (v) **Restructuring Protective Measures** means any Protective Measures ordered by the Swiss Resolution Authority with respect to the Issuer that are ordered or confirmed upon the opening of or during any CSG Restructuring Proceedings;
- (vi) **Swiss Banking Act** means the Swiss Federal Act of 8th November 1934 on Banks and Savings Banks, as may be amended from time to time;
- (vii) **Swiss Banking Insolvency Ordinance** means the Ordinance of 30th August 2012 of FINMA on the Insolvency of Banks and Securities Dealers, as may be amended from time to time;
- (viii) **Swiss Resolution Authority** means FINMA or any other authority in Switzerland that is competent under Swiss law to exercise a Swiss Resolution Power or order Protective Measures at the relevant time; and
- (ix) **Swiss Resolution Power** means any statutory power of the Swiss Resolution Authority that it may exercise during Restructuring Proceedings as set forth in article 28 et seq. of the Swiss Banking Act and article 40 et seq. of the Swiss Banking Insolvency Ordinance, or in any successor or analogous Swiss law or regulation applicable to bank holding companies in Switzerland, such as the Issuer, including, without limitation, the power to (a) transfer the assets of the entity subject to such Restructuring Proceedings, or portions thereof, together with such entity's debt and other liabilities, or portions thereof, and contracts, to another entity, (b) stay (for a maximum of two business days) the termination of, and the exercise of rights to terminate, netting rights, rights to enforce or dispose of certain types of collateral or rights to transfer claims, liabilities or certain collateral, in each case, under contracts to which the entity subject to such Restructuring Proceedings is a party, (c) convert the debt of the entity subject to such Restructuring Proceedings into equity of such entity, and/or (d) partially or fully write-down the obligations of the entity subject to such Restructuring Proceedings.

13.2 Suspension Period

If the Swiss Resolution Authority orders any Restructuring Protective Measures requiring the deferral, but not cancellation, of the payment of principal and/or interest due, or which would otherwise become due, on the Notes, such payment of principal and/or interest on the Notes will be deferred, but not cancelled, for the

duration of the applicable Suspension Period. Interest payments on the Notes will be cumulative, so that following the termination of a Suspension Period, the Issuer will be required to make any payment of principal that was due or became due and/or accrued and unpaid interest that was deferred during such Suspension Period (but only to the extent such principal and/or accrued and unpaid interest was not subsequently fully or partially written-down and cancelled and/or converted into equity of the Issuer during such Suspension Period through the exercise of a Swiss Resolution Power).

Any payment of principal and/or interest that was due or became due, or which would otherwise have become due, but was not paid prior to or during any Suspension Period in accordance with the first sentence of the preceding paragraph will be payable (without interest on such previously due and unpaid amounts and only to the extent such principal and/or interest was not subsequently fully or partially written-down and cancelled and/or converted into equity of the Issuer during such Suspension Period) on the later of (i) the next Interest Payment Date after the date on which such Suspension Period ends and (ii) the date that is 15 Payment Days after the date on which such Suspension Period ends. The deferral of any payment of principal or interest in accordance with this Condition 13.2 shall not constitute an Event of Default. When a Suspension Period is no longer in effect, the Issuer will so notify the Noteholders in accordance with Condition 17.

As used herein, **Suspension Period** means the period for which the Swiss Resolution Authority orders any Restructuring Protective Measures requiring the deferral, but not cancellation, of the payment of principal and/or interest due, or which would otherwise become due, on the Notes. Any such deferral shall not constitute an Event of Default under the Notes.

15. PAYING AGENTS

The initial Paying Agents are set out above. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent (including in circumstances where any Paying Agent does not become, or ceases to be, a Participating FFI) and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) subject to clause (d) below, there will at all times be a Paying Agent in a jurisdiction within continental Europe, other than the jurisdiction in which the Issuer is incorporated; and
- (d) so long as any Swiss franc-denominated Notes are listed on the SIX Swiss Exchange, the Issuer will at all times maintain an Agent having a specified office in Switzerland, and at no time will the Issuer maintain a Paying Agent having a specified office outside of Switzerland in respect of Swiss franc-denominated Notes listed on the SIX Swiss Exchange.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders.

In these Conditions:

FFI means a “foreign financial institution” as such term is defined pursuant to Sections 1471 to 1474 (inclusive) of the Code and any regulations thereunder or official interpretations thereof.

Participating FFI means an FFI that is a “participating foreign financial institution” as from the effective date of withholding on “passthru payments” (as such terms are defined pursuant to Sections 1471 to 1474 (inclusive) of the Code and any regulations thereunder or official interpretations thereof).

17. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (a) if and for so long as the Notes are admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and listed on the Official List of the Luxembourg Stock Exchange, in a daily newspaper of general circulation in Luxembourg, it being expected that such publication will be made in the *Luxemburger Wort* or the *Tageblatt* in Luxembourg or on the website of the Luxembourg Stock Exchange (www.bourse.lu), or (b) if and so long as the Notes are listed on the SIX Swiss Exchange and so long as the rules of the SIX Swiss Exchange so require, either (i) by means of electronic publication on the internet website of the SIX Swiss Exchange (www.six-swiss-exchange.com, where notices are currently published under the address www.six-swiss-exchange.com/bonds/issuers/official_notices/search_en.html) or (ii) otherwise in accordance with the regulations of the SIX Swiss Exchange. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. If the Notes are for any reason no longer listed on the Luxembourg Stock Exchange or SIX Swiss Exchange, notices to Noteholders shall be given to the Intermediary through the Agent to the Noteholders, which notice will be deemed to be validly given on the date of the communication to the Intermediary. In the case of Notes that are not listed on the Luxembourg Stock Exchange or SIX Swiss Exchange, notices to Noteholders shall be given by the Issuer in the manner specified in the applicable Final Terms. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

18. MEETINGS OF NOTEHOLDERS AND MODIFICATION

18.1 Meetings of Noteholders

The provisions on bondholder meetings contained in article 1157 et seq. of the Swiss Federal Code of Obligations apply in relation to meetings of Noteholders.

18.2 Modifications

Notwithstanding Condition 18.1, the Issuer may, subject to the mandatory provisions of Swiss law, without the consent or approval of the Noteholders, make such amendments to the terms of the Notes that in its opinion are of a formal, minor or technical nature or made to correct a manifest or proven error, or that in its opinion are not materially prejudicial to the interests of the Noteholders.

The Issuer shall notify the Noteholders of any amendments made pursuant to this Condition 18.2 in accordance with Condition 17, which notice shall state the date on which such amendment will be effective.

19. CURRENCY INDEMNITY

The Specified Currency is (save as provided in Condition 7.9) the sole currency of account and payment for all sums payable by the Issuer under or in connection with the Notes, including damages. Any amount received or recovered in a currency other than the Specified Currency (save as provided in Condition 7.9) (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuer or otherwise) by any Noteholder in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount of the Specified Currency which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that Specified Currency amount is less than the Specified Currency amount expressed to be due to the recipient under any Note, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it will be sufficient for the Noteholder to demonstrate that it would have suffered a loss had an actual purchase been made. The indemnities under this Condition 19 will (i) constitute a separate and independent obligation from the Issuer's other obligations under these Conditions, (ii) give rise to a separate and independent cause of action, (iii) apply irrespective of any indulgence granted by any Noteholder and (iv) continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or any other judgement or order.

20. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the issue date, the amount and date of the first payment of interest thereon and the date from which interest starts to accrue and so that the same shall be consolidated and form a single Series with the outstanding Notes.
