

# Shaping the future together

Maximize your impact – join the Global Philanthropists Community

We all want a better world. But the challenges facing the planet are too complex to solve alone. Philanthropists must work together, combining skills and resources, to collaborate on projects with the power to create lasting change. Joining the Global Philanthropists Community (GPC), can help you maximize your impact. Our members-only network connects you with peer philanthropists. So together, you can drive philanthropic innovations – and shape the future you want to see.

## How can you maximize your impact?

As a member of the GPC, you can connect with others, exchange expertise, and access solutions that enable you to really make a difference. Joining the GPC means you will:

- belong to an exclusive community
- be able to showcase who you are and what you do with fellow philanthropists across the globe

- expand your network by connecting with peer philanthropists who share your interests and values
- grow your knowledge through regular exchanges with members and experts
- enhance your philanthropy skills
- gain access to tools and resources that help you act more effectively.

## What can you expect?

- **An exclusive platform to connect with philanthropists**, including an online directory of GPC members who share similar passions or expertise.
- **Insights** with access to curated and exclusive content via podcasts, videos, articles, and research by experts, practitioners, thought leaders, and other GPC members. You can also attend tailored and curated gatherings
  - online and in-person.
- **Education** through a virtual learning program that helps you become an informed changemaker.
- **Resources and toolkits**, including checklists, templates and guides designed to help you maximize your impact.
- **Funding solutions** with access to vetted UBS Optimus Foundation flagship programs – and opportunities to join collective giving circles.

## Ready to supercharge your philanthropy?
