Unitholders of the Merging Subfund should note the differences between the Merging Subfund and the Receiving Subfund, as well as between the units in the Merging Subfund and the corresponding shares in the Receiving Subfund, as detailed in the table above and in Appendix I to this notice. For instance, shares in the Receiving Subfund sometimes differ from the respective units of the Merging Subfund in terms of applicable fees, reference currency, hedging policy or distribution policy. Also, the Unitholders of the Merging Subfund should note that as a result of the Merger they will become Shareholders of the Company and consequently obtain voting rights in the Company. More generally, Unitholders should be aware of the different legal form of the Company and note the resulting differences in terms of governance structure.

The resolutions to merge the Merging Subfund into the Receiving Subfund were passed in the Unitholders and Shareholders' interest, the intention being to streamline the existing product range of Credit Suisse. The Merger will increase the asset base of the Receiving Subfund ensuring that the assets in the Merging and Receiving Subfunds are managed more efficiently while enhancing operational efficiencies of two similar products.

Due to the small size of the Merging Subfund, it has been decided to liquidate the entirety of its portfolio prior to the Merger. As a result, the Merging Subfund will only hold cash which will be transferred to the Receiving Subfund at the time of the Merger. The cash received by the Receiving Subfund will then be reinvested in accordance with the Receiving Subfund's investment policy. Furthermore shareholders should note the resulting differences in terms of ongoing charges, as indicated in the above table. Shareholders' attention is drawn to the fact that (i) the reference currency of the Receiving Subfund (USD) differs from the reference currency of the Merging Subfund (EUR) and (ii) shares in the Receiving Subfund sometimes differ from the respective units of the Merging Subfund in terms of distribution policy. More information about the features of the shares of the Receiving Subfund can be found in the prospectus of CS Investment Funds 4, under Chapter 2 "CS Investment Funds 4 – Summary of Share Classes" and Chapter 5 "Investment in CS Investment Funds 4".

For more details on the Receiving Subfund, Shareholders are kindly invited to read Appendix I as well as the KIID of the Receiving Subfund which may be obtained free of charge from or may be requested at the registered office of the Management Company.

All costs of the Merger (with the exception of any dealing costs, audit costs, other miscellaneous costs and transfer taxes on the assets associated with the transfer of assets and liabilities and the custody transfer costs) will be borne by the Management Company, including legal, accounting, stamp duty and other administrative expenses.

The issue of units in the Merging Subfund will be suspended with effect as from 6 September 2018. Accordingly, subscription and conversion applications in the Merging Subfund will be accepted up to 3.00 p.m. CET on 5 September 2018. Unitholders of the Merging Subfund and Shareholders of the Receiving Subfund will be able to redeem units of the Merging Subfund respectively to redeem shares of the Receiving Subfund until 5 October 2018, i.e. redemption and conversion applications can be submitted up to 3 p.m. CET on 5 October 2018 and will be handled free of charge.

The exchange of units and shares will be effected on the basis of the net asset values calculated on 15 October 2018 based on the closing prices of 12 October 2018 and be published as soon as practicable. Fractions of shares in the Receiving Subfund may be issued down to three decimal places.

Unitholders of the Merging Subfund who have not submitted their units for redemption until 3 p.m. CET on 5 October 2018 will be allocated the corresponding shares in the Receiving Subfund on 15 October 2018 with value date 16 October 2018.

Shares of the Receiving Subfund can still be subscribed and accepted for redemption on any banking day in Luxembourg.
