(the “Company”)

Notice is hereby given to the Shareholders of Credit Suisse Nova (Lux) Supply Chain Finance High Income Fund (the “Subfund”)

Given capacity constraints in syndicating enough Receivables into Notes with a view to satisfying the demand from the Subfund resulting from the expected pipeline of subscription orders for Shares in the Subfund, the Board of Directors of the Company had decided to close the Subfund for further subscriptions as per 18 November 2019, 3 p.m. CET.

Due to increased supply of Notes and the decreased fund size due to redemptions, the Subfund has capacity to accept new subscriptions.

For this reason, the Board of Directors has decided to temporarily re-open the Subfund for subscriptions as from **9 March 2020**, 3 p.m. CET.

Shareholders must note that the Board of Directors may decide at its sole discretion to close the Subfund again for further subscriptions at any time. In such case, Shareholders will be informed in accordance with Chapter 14, “Information for Shareholders” of the prospectus.

Redemptions remain possible at any time.
