

**Dr Basil Lui PhD**  
Managing Partner –  
Investments, EDBI

Dr Basil Lui is the Managing Partner at EDBI, a Singapore-based global investor where he is responsible for leading investments in Emerging Technologies and Healthcare. He spearheaded EDBI's investments in the areas of mobility, advanced manufacturing, future of computing, blockchain, AR/VR, agri-food tech and sustainable technologies.

Additionally, Dr Lui drives early stage deep-tech fund-of funds at EDBI, and pioneered EDBI's post investment value creation efforts, ensuring strong support to portfolio companies through market access, talent recruitment, strategic financing, partnership & guidance.

Prior to EDBI, Basil was a McKinsey consultant, an Adjunct Associate Professor at the Keppel-NUS Corporate Laboratory, the APAC President of a global semiconductor EDA company, an Assistant Professor at NUS ECE and a post-doctoral research fellow at the Cambridge University Engineering Department. He is the inventor of several patents and holds a BA (1st class), MA and PhD from the University of Cambridge and was awarded a Trinity College Research Fellowship, a Commonwealth scholarship and a Singapore government scholarship.
