

# UBS Structured Products Digital

Customize your structured products anytime, anywhere.

Structured products have risen in popularity, given their ability to keep up with today's fast-paced world of investing. They offer you a unique blend of customization, enhanced yield, and diversification to suit your specific investment needs.

## Enhanced Yield

Tap on the potential to enhance your yield in any market condition, whether it is falling, rising, or moving sideways.

## Customization

Structured products give you access to a wide range of opportunities within your time horizon.

## Diversification

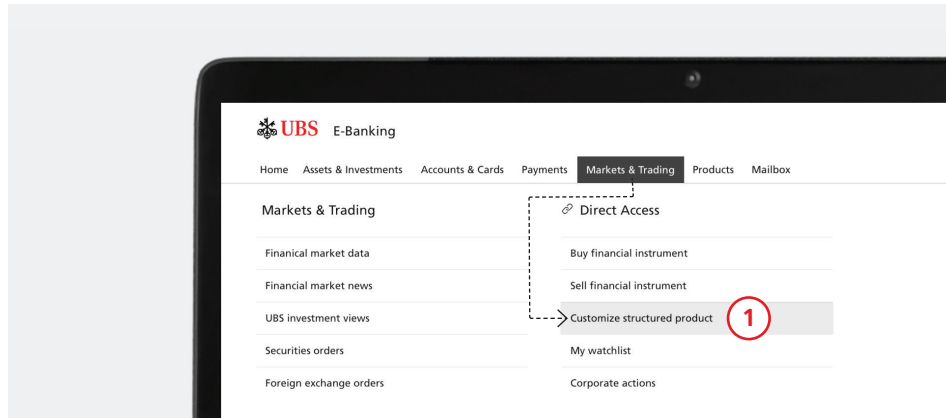

With Equity-Linked Notes (ELNs) and Reverse Convertible Notes (RCNs) as a prelude, we'll continue to expand the list of structured products.

# How to use UBS Structured Products Digital in E-Banking?

## Navigate to Structured Products Digital

1. You can enter a structured products transaction in UBS E-Banking via: 'Markets & Trading' → 'Customize structured product'

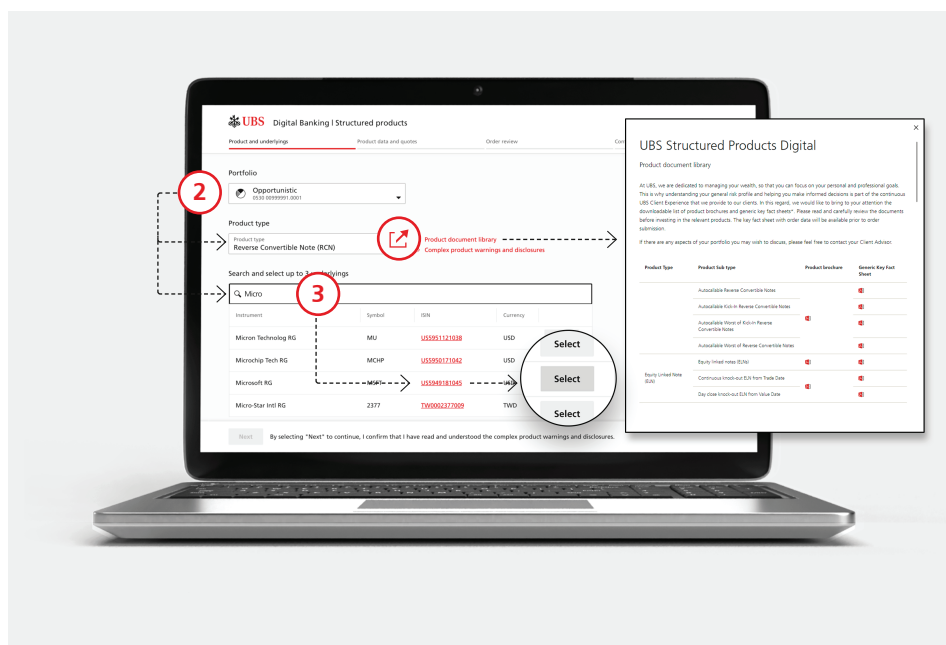

## Product and underlyings

2. Select portfolio and choose product type.

More information can be found in product document library. Please also read complex product warnings and disclosures.

3. Search for an underlying asset using its name, symbol, ISIN or RIC.

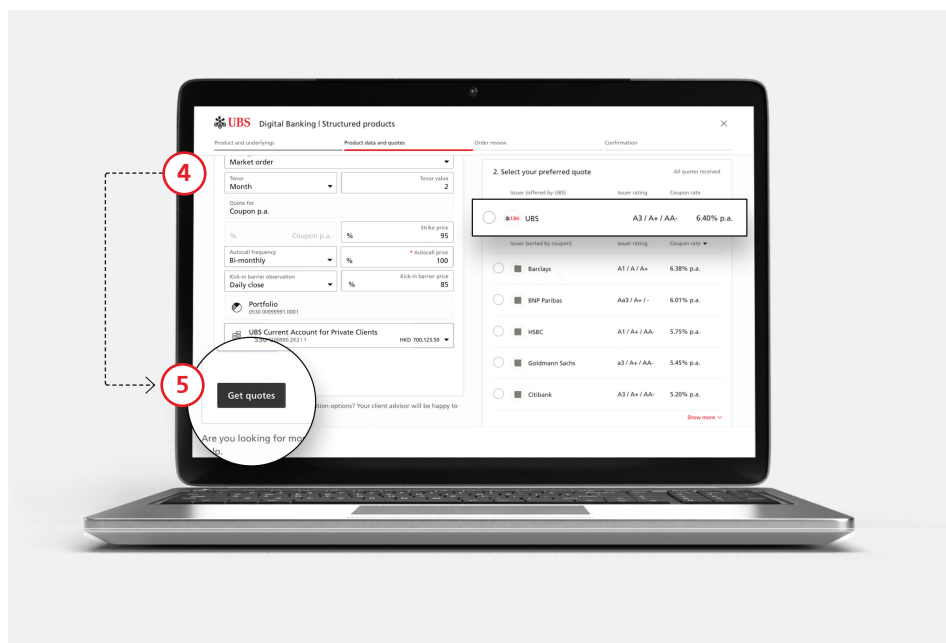

Details will be reflected through UBS Quotes. Click 'Select' next to the instrument you wish to include.

## Customize your product

4. Enter order details, eg. Investment amount, Order Type, Tenor and other relevant parameters. Click on drop down menu and select the relevant cash account.

5. Click 'Get quotes' and a list of tradable quotes will be shown.

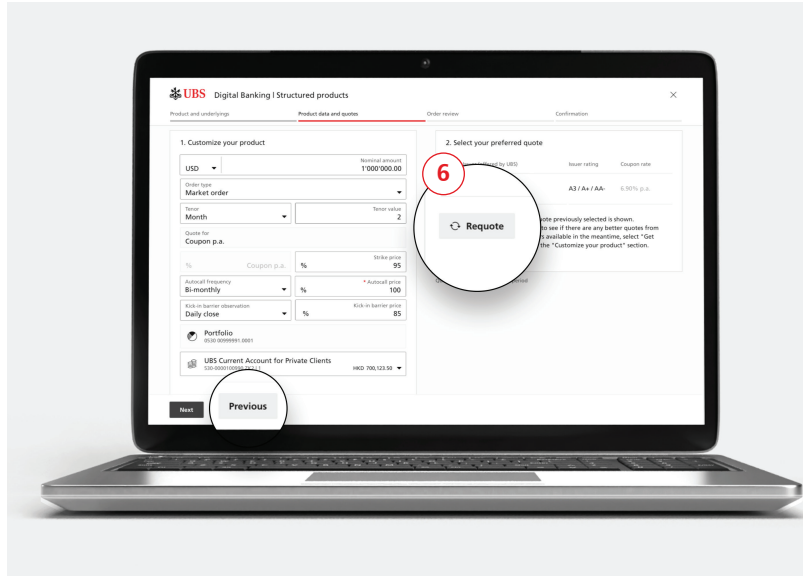

UBS' quote (if available) will always be displayed first. Quotes from other issuers will be sorted by economic term e.g. coupon rate.

## Validation

6. Click on 'Requote' if you need to update the parameters. Please note that by making this selection, you are requesting an updated quote from the issuer selected.

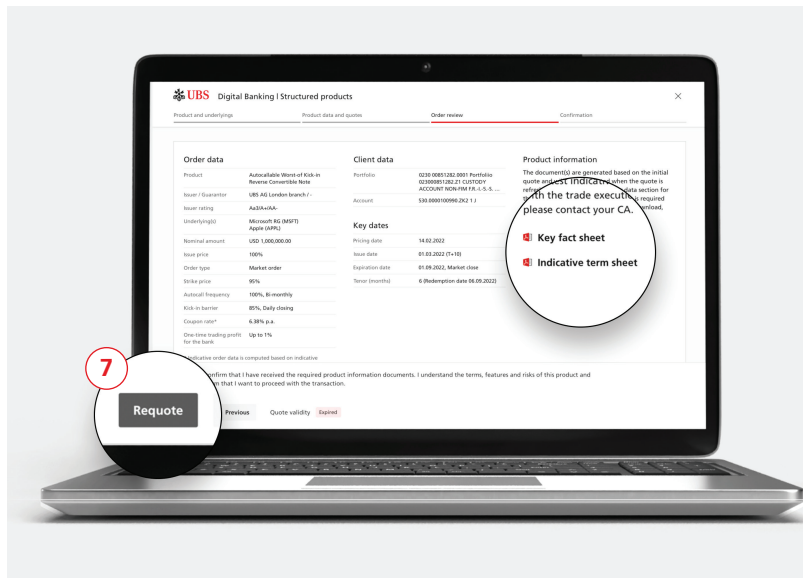

If you want to select another issuer click on 'Previous' and restart the validation process.

## Order Review

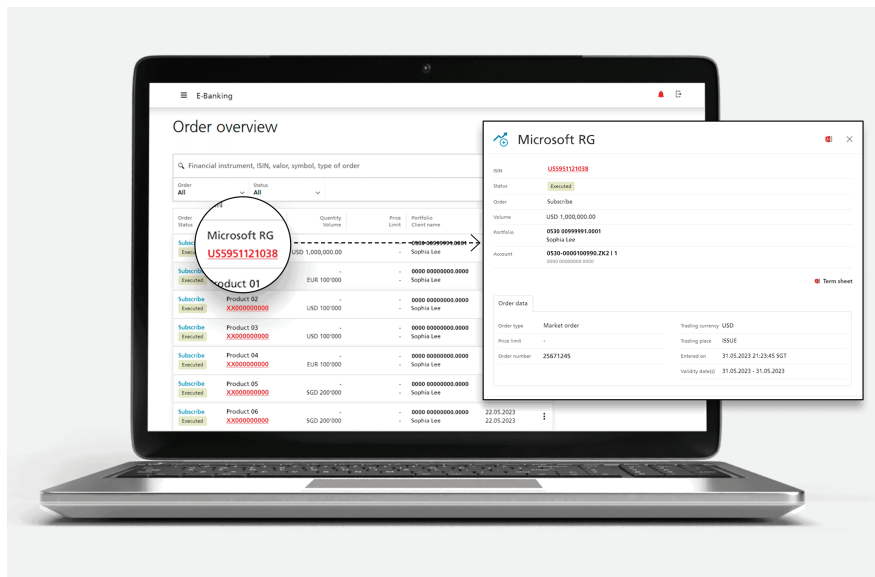

When reviewing your order, you can refer to the product documents for more details on the risks and features (key fact sheet and indicative term sheet).

7. Note that the quote is only valid for the time that is specified at the foot of the page (after which it will expire). Please click 'Requote' for a refreshed quote from the issuer.

## Order Submission

Order will be updated based on refreshed quote and submitted based on the updated Coupon rate. You can view your order status on the order overview page.

The UBS Structured Product Digital Service relates to structured products that involve derivatives. You should not invest in such products unless you fully understand, and are willing to assume, the associated risks. If you are unsure of the risks that are involved under any structured product, you may seek clarification from your client advisor and/or seek independent professional advice.
