Terms and conditions

Terms and conditions authorization: I understand that the use of any credit card account opened or any card issued in connection with this offer will constitute my acceptance of and will be subject to the terms and conditions of these Terms and Conditions and the Cardmember Agreement that will be sent to me. I agree to be responsible for all charges incurred according to the Cardmember Agreement. I understand that after my account is opened, the terms of my account are subject to change as provided in the Cardmember Agreement.

About your application and this offer: Credit cards are issued by UBS Bank USA (referred to as "Bank," or "we," "us," and "our"). Depending on our review of your application and your credit history, or if the income you report is insufficient based on your current obligations, we may be unable to open an account for you. You also understand that if your application is approved for an account, the APR and the type of account that you receive may be determined based on your creditworthiness. Please review the materials provided with your Cardmember Agreement for more details. Omission of any information requested on this application may result in a denial of credit. This offer is available only to applicants who are permanent residents of the 50 United States, the District of Columbia and US Territories.

Changes to account and benefits terms: We reserve the right to change the APR and other account terms in accordance with the Cardmember Agreement, Utah law and the Federal Truth in Lending Act. We also reserve the right to change the benefits and features associated with the card or the account.

About your credit report, your credit performance, and your credit information: You agree that we have the right to obtain a current credit report in connection with our review of your application and, subsequently, in connection with a requested charge to any account with us, the renewal, review or collection of your account, a change in your credit line, and to enable us and our affiliates to provide additional products or services that may be of interest to you. We have the right to report to others our experience with you without disclosing your credit eligibility information. Upon your request, we will tell you the name and address of each consumer reporting agency from which we obtained a consumer report about you. After your account is opened, we will periodically review your credit performance.

If you are a client of UBS Financial Services Inc. (UBS FSI), you further agree that UBS FSI may share credit eligibility and other related information with the Bank in connection with our review of your application.

How the variable APRs on your account will be determined: The APRs on your account will be determined each billing cycle by adding a margin to the Prime Rate (which will be the highest rate published in the Money Rates column of The Wall Street Journal on the last business day of each month). See your Cardmember Agreement for more detail. The APRs noted above are current as of June 2024 using a Prime Rate of 8.50%. To find out what may have changed please call 800-762-1000.

Important information about procedures for opening a new account: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to you: When you apply for an account, we will ask for your name, street address, date of birth, social security number, and other information that will allow us to identify you. We may also ask to see copies of identifying documents.

Balance transfers. Here's how it works: To request a balance transfer please enter the 15 or 16 digit account number from the MasterCard®, Visa, American Express®, or Discover Card account that you want us to process a balance transfer to. Upon approval of your application we will provide you with your Cardmember Agreement and to the extent permitted by your credit line we will process the requested balance transfer payment to the credit card account(s) which you have requested. If the total amount you request exceeds the assigned credit line on this account,

we may either decline the request or send a partial payment to your creditor(s) in the order you provided them to us. The amount of available credit on this account will be reduced by the amount of the balance transfer and the related balance transfer fees. We reserve the right to decline to process any requested balance transfer. We will not process a request to transfer a balance from any other account you may have with us. Balance transfers incur interest from the transaction date and they do not have the same dispute rights as transactions conducted with a credit card.

A balance transfer may take up to four weeks to post to your other credit card accounts. Continue to pay each creditor until the balance transfer appears on the other account as a credit. If you would like to complete a balance transfer from another account that is not a Visa, MasterCard, American Express, or Discover card, please call the phone number on the back of your new credit card once you are approved.

Automatic re-payment of Cash Advances through *CashConnect*: The *CashConnect* feature on your UBS credit card Account will automatically repay new Cash Advances obtained from ATMs and financial institutions (*CashConnect* Cash Advances), each night, with available funds (up to your Withdrawal Limit, as defined in the Agreements and Disclosures document found at ubs.com/disclosuresdocuments) from your UBS Resource Management Account (RMA) (referred to as UBS Account). The *CashConnect* feature does not repay Cash Equivalent transactions. The *CashConnect* feature is available only for cardholders who have the UBS credit card connected to a UBS Account. You will incur no interest charges on *CashConnect* Cash Advances, as long as there are sufficient available funds (up to your Withdrawal Limit) in your UBS Account to repay your *CashConnect* Cash Advance transaction in full when we first seek payment from your UBS Account. If sufficient available funds (up to your Withdrawal Limit) are not available in your UBS Account to pay off the *CashConnect* Cash Advances balance in full, then the APR on Cash Advances (as listed in the Account Summary Table) will apply as of the original transaction date on any remaining balance. You will be charged the APR on Cash Advances on your remaining *CashConnect* Cash Advance balance until it is repaid in full. Applicable ATM surcharge fees may apply. No other Account balances are paid through the *CashConnect* feature. If you have a UBS Account and choose not to participate in the *CashConnect* feature, please contact UBS Financial Services Inc. at 1-800-762-1000.
